

SHRIKANTA PAUL

Bijoypur, Cumilla Sadar South, Cumilla

Cell: +880 1985-064618, Email: shrikantapaul571@gmail.com

CAREER OBJECTIVE

I believe effective teaching involves simplifying complex technical concepts into practical, real-world learning experiences. My approach emphasizes hands-on learning, problem-solving and active student engagement, particularly in areas such as Artificial Intelligence, Machine Learning and Deep Learning. I focus on guiding learners to think critically, apply concepts through coding and experimentation and develop confidence in their technical abilities.

EDUCATION

M. Sc. in Computer Science and Engineering (CSE) Daffodil International University, Dhaka Expected Graduation: May, 2027	2026 – Present
B. Sc. in Computer Science and Engineering (CSE) Daffodil International University, Dhaka CGPA: 3.94 (Out of 4.00)	2022 – 2025
Higher Secondary Certificate (HSC), Science Cumilla Govt. City College, Cumilla GPA: 5.00 (Out of 5.00)	2017 – 2018
Secondary School Certificate (SSC), Science Bijoypur High School, Cumilla GPA: 5.00 (Out of 5.00)	2015 – 2016

EXPERIENCE

NLP & ML Research Lab, Daffodil International University <i>Research Assistant</i>	September 2025 – December 2025
- Conducted research in Natural Language Processing, Machine Learning, and Deep Learning. - Assisted faculty members with ongoing research projects. - Supported the university's Deep Learning Bootcamp, helping students understand advanced AI concepts and hands-on model development.	
Department of Business Administration, Daffodil International University <i>Research Assistant (under Dr. Md. Azizur Rahman)</i>	January 2026 – Present
- Assisted in proposing a research grant project under the HEAT UGC Academic Transformation Fund (ATF). - Presented a research study on Bangladesh Railway ticket scalping to Bangladesh Railway officials.	

ACHIEVEMENTS

Dean's List Award: Recognized for outstanding academic performance.	Fall 2024
Dean's List Award : Honored for maintaining excellent academic standing.	Fall 2023
24th Place – "Unlock the Algorithm" Programming Contest	Fall 2023
Completed Training Course – "Student Brigade on School Sanitation & Hygiene Education", BRAC: Gained practical experience in community health initiatives and leadership.	April 2016

RESEARCH & PUBLICATIONS

Road Cleanliness Classification Using Deep Learning and Vision Transformer with LIME-Based Explainability, Presented at AISEI 2026 – International Conference on Artificial Intelligence for Sustainable Engineering and Innovation (April 27–28, 2026), Jadara University, Jordan. <i>In Press</i> , IEEE Xplore & Scopus Indexed.
YOLOv11-Based Detection of Vegetable Leaf Diseases: A Benchmark Study on a Unified Multi-Crop Dataset with Severe Class Imbalance, Accepted at ICEFronT 2026 – International Conference on Engineering Frontiers and Technology, MBSTU, Bangladesh.

PROJECTS

SmartFarmX <i>IoT-Based Smart Agriculture Platform</i>	May 2025 – August 2025
· Developed a system to monitor remote farm fields without relying on internet, using LoRa communication. · Implemented real-time sensor data visualization for farmers. · Designed a responsive and user-friendly web interface for easy farm monitoring.	
Personal Portfolio Website	January 2025 – Present
· Built a responsive and interactive website to highlight personal projects, experience, and skills. · Continuously improving UI/UX design and adding new project sections. · Integrated smooth animations and dynamic content using JavaScript.	
BookBin <i>UI/UX Mockup</i>	July 2022 – December 2022
· Designed wireframes, interactive layouts, and clickable prototypes for user testing. · Focused on user-friendly experience for buying, selling, and exchanging books. · Collaborated on design iterations to optimize navigation and interface usability.	

SKILLS

Programming	C, Java, Python, HTML, CSS
Artificial Intelligence & ML	Machine Learning, Deep Learning, Research Paper Writing (Latex)
Design Tools	Adobe XD, Adobe Photoshop, Adobe Illustrator
Video Editing	Adobe Premiere Pro, Filmora
Productivity	Microsoft Word, Excel, PowerPoint
